## Medical and Dental Ministry

June 2016

Dear Friends,

Thank you for again choosing to make a difference in the lives of so many people. Your joining with us in prayer and finances means so very much to us and to scores of others.

In the past few weeks, Bob was asked to travel to different parts of the country to help equip and train health care professionals and students who are on the front lines of caring for the sick and hurting in underserved areas and overseas.

He traveled to **Oklahoma City** to speak again at the Christ Community Healthcare Fellowship (CCHF) National Meeting. CCHF is a national association of Christians that is seeking to bring healing to marginalized communities in Jesus' name. Working primarily in medical clinics among the poor, they work to bring physical and spiritual healing, reconciliation, and justice. He left on a Wednesday and returned on Saturday night. While at CCHF, he lead a session on taking a spiritual history.

The next Thursday, he was off again to **Mississippi, Tennessee, and New York**. In Mississippi it was a quick visit with his family and a few ministry partners. In Tennessee he met with various CMDA leaders at their annual staff conference. In New York near JFK Airport, he spent several hours training one of our 200+ Cru undergrad summer mission groups. This group is now doing various medical outreaches in West Africa. Afterwards, over the next two days he was able to visit with some New York area Preceptorship alums.

In just a few hours from the time of this writing, the students arrive for the 16th annual Whole Person Care Preceptorship. They are coming from across the country to learn how they can make their lives and healthcare careers count for the sake of the Gospel. We'd be grateful for your prayers these next weeks which are among the most strategic of the year.
