

Bob & Diana Mason

Medical and Dental Ministry

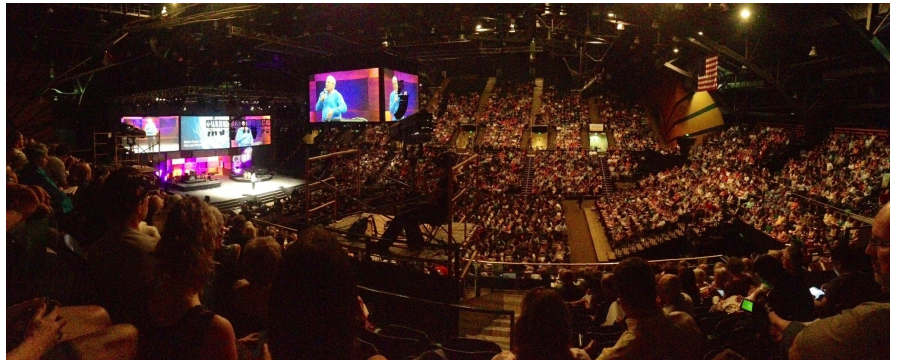

June 2015

Summer of Ministry Impact

June 13-July 15—our 15th annual **Whole Person Care Preceptorship** begins. This by far is the most strategic and impactful 4.5 weeks of the year. Eager, teachable Christian students from across the US join us in Redlands. They'll get clinical hands on training for integrating their faith in their patient care and be trained and mobilized for the Great Commission. *Watch the video online at bobdiana.org/media/.*

July 14-22—**Cru US Staff Conference**. Every two years our 5,000+ US staff gather in Colorado for a time of biblical teaching, spiritual refreshment, and ministry strategy direction. We expect to leave encouraged and motivated in this medical ministry to which God has called us.

September 2-4—**Medical Missions Summit**—Bob travels to North Carolina to meet with leaders of churches and missionary organizations that are sharing the love of Christ worldwide through long and short-term medical and dental missions.

Other key dates include June 15—our son **Jordan returns** to California from a 10 month Cru internship in Eastern Europe. He'll continue as a Cru intern this next year at his alma mater, Cal Poly SLO.

August 5 is when the **new med school class arrives**. We'll be busy making early connections with these new students.

We'll keep in touch with you monthly, but do appreciate your prayers for these events. Always remember that you are making a significant difference in the lives of people worldwide. You are influencing so many. ***Thank you*** for so faithfully standing with us.

Finally, one last prayer request. Both Bob and Kara, one of our Preceptorship faculty, have piriformis syndrome which results in frequent hip pain and impaired mobility. Pray that God heals them both quickly so we can have maximum impact this summer.

A caring community passionate about connecting people to Jesus Christ
