## Medical and Dental Ministry

August 2015

Every two years our 4500+ US Cru staff, along with 1500 staff kids, gather in Colorado for a week of teaching from the Word, worship, ministry planning, and community. Our faith is challenged as we trust God to do even more through us for His purposes.

*"MOVEMENTS OF GOD ARE FUELED WITH PEOPLE WHO ARE DEEPLY IN LOVE WITH **Jesus.**"*

**FRANCIS CHAN**

*Rend Collective, Run 51, and others took us to the feet of God during rich times of worship.*

**You can share our experiences from Cru15. Videos and audio are at [cru15.cru.org/archive/index.htm](http://cru15.cru.org/archive/index.htm)**

**Dr. John Perkins** (right) shares about his own journey of grace, reconciliation, and ministry for God's Kingdom.

The US ethnic makeup is diverse and Cru seeks to reflect that more in our ministries and staff. We spent significant and sacred time in prayer and honest conversations about race, unity, and ministry effectiveness.

*Alongside of you, we are trusting God for something that is much larger than our individual selves—the fulfillment of the Great Commission. Thank you for all you do in this. We need you!*
