Jordan is Engaged!

After a two year friendship and dating relationship, our son, Jordan, picks Jenny Davis up on August 29 to celebrate a long distance relationship being officially over. He takes her to five different places around San Luis Obispo that are significant to them to reminisce fun stories and what God has done. After reflecting at each spot, Jordan reads a note describing what he has learned and come to love about Jenny from that location. They spend time in prayer thanking God and praying for things to come. After four spots, Jenny still has no idea what is coming. Next at some bluffs overlooking the Pacific Ocean, they share a picnic...

Meanwhile as Jordan and Jenny munch delectable morsels, across from the bluffs ours' and Jenny's immediate families crouch behind bushes, hiding and watching from the patio of a beachfront home. Weeks prior, Jordan invited us to celebrate this unfolding event...

Jordan stands, then drops to one knee. *"Jennifer Marie Davis, I love you and I want to spend the rest of my life with you. Will you marry me?"* Jenny answers, *"Yes!!!"*

A local TV news reporter happens by at the exact proposal moment and later does on-air reports.*** Siblings and brothers-in law, followed by beaming parents, storm the bluffs, congratulating the happy couple.

After a joint family celebration time on the bluffs, we all attend an engagement party where Jordan and Jenny share with friends the story of their afternoon. Bob and Jenny's father speak of how both families have prayed since their children's births for their future spouses. A group prayer time follows.

Once they are married on January 1, Jenny and Jordan will continue to serve on the Cru staff team at Cal Poly San Luis Obispo. SLO hosts one of the premier Cru movements in the US, attracting some 1,000+ students to their weekly meetings.

Over the years you have helped us build into Jordan's life. You have been there during times of joy, challenge, and celebration. Thank you for helping us launch Jordan to a lifetime of walking in faith to serve God.
