Elissa Is Engaged!

While spending Christmas with Bob's family in Mississippi, Elissa's boyfriend, Logan, made a surprise visit from California and proposed to her on the Courthouse Square in Canton, MS. Watching from just a few feet away were Diana, Bob, Logan's Mom, Elissa's paternal grandfather, uncle, aunt, and cousins. Jordan and Jenny joined us live from San Francisco via FaceTime.

Mississippians are so very *nice!* Complete strangers joyfully celebrate the newly engaged couple.

Enjoying an afternoon with Bob's family in the Southern countryside.

Elissa and Logan are planning an August wedding and will live in Manhattan Beach, CA where Logan is a youth pastor. She graduates in May with her nursing degree. We are so grateful for how God has brought them together. And we are grateful to you as you have been a part of our family - walking with us during Elissa's growth and journey. Thank you for sharing in our lives and ministry. May God bless **you** in this New Year!
