Together Again

After a 3 year interruption due to COVID, our 4,600+ US based Cru staff were able to meet together again last month in Milwaukee for a time of renewal, time in the Word, prayer and planning.

Bob was asked to host a session to help staff better mobilize healthcare students and professionals for the Great Commission.

We appreciated connecting with those who have benefitted from our ministry over the years and are now Cru staff impacting college students, families, athletes, healthcare students & the Jesus film.

As always, your investments and prayers help make this possible.

Thank you!!!!

Bob & Diana
