Medical and Dental Ministry

June 2023

1,747?

I was shocked. 1,747 campuses? That's the number of US college campuses that have **no** gospel movement presence.

In light of this, Cru and InterVarsity joined arms to form EveryCampus, a collaborative effort to see that students on every US

campus have the opportunity to hear about God's redemptive message of hope, forgiveness and eternal life via a

A few weeks ago we traveled to Orlando to meet with 100+ leaders from EveryCampus partners to pray and plan in how we might move forward together. And while our medical ministry is limited in time and resources, we are ready to help train and mobilize healthcare students who are becoming disciples of Christ through EveryCampus work.

God is working! Progress is being made in changing this shortage as Christian ministries, churches and denominations unite to see Jesus proclaimed.

And please pray for our 22nd annual Whole Person Care Preceptorship. The students arrive this week and we are trusting God to make lifelong impact in their lives.
