## 40 Years

**Forty years ago this month, Bob joined the staff of Cru.** It's been an incredible journey and we're so thankful for the privilege of sharing Jesus with people worldwide. God has consistently sustained us. We're incredibly grateful for you faithfully standing with us in this work to which God has called us. **Thank you!!!**

**Oklahoma State**—reaching, building and sending students. 31 years after this pic was taken, Mark's son (2nd from right) arrives at our summer preceptorship!

**KC 83**—Bob helped staff this US conference that drew 17,000 college students to learn how they could help fulfill the Great Commission.

**1987**-Bob heads to Cru's HQ in California to work with speaker Rusty Wright & coordinates evangelistic outreaches worldwide. Meets Diana next door!

**1994**-becomes Cru director at UCR leading students and staff in sharing the life changing message of Christ.

**1996**-Yang Chen, MD invites us to serve with Medical Strategic Network, a Cru partner ministry. Began discipling & training healthcare students & pros to live on mission at work.

**Speaking**-India, Case Western, Ukraine, Harvard, Cuba, Ohio State, Hong Kong, Howard University, Philippines, Univ of Florida, Canada, UMMC, UCLA and more.

**2001**-God leads Bob to launch the Whole Person Care Preceptorship. Alumni are integrating their faith into their patient care worldwide.

**Expect the unexpected**-Bob and others appear on a top-rated radio program during a medical mission trip to Dominican Republic.

And as grateful as we are for 4 decades of ministry, the best part has been living with and for Christ. He is worth it.
