

October 2023

To the Windy City!

Next month we head to **Chicago** to host a METS Whole Person Care Conference at Lawndale Christian Health Center. We're partnering with CCHF, CMDA, Cru & Lawndale to equip local healthcare professionals and students to include spiritual care in their patient interaction. Lawndale has long been "salt and light" among the underserved in the city. With over 100 providers at 6 locations, they seek to be to be "the hands and feet of Jesus" with their patients and in the communities they serve.

*Christian Community Health Fellowship

In this online video, CCHF* CEO Steve Noblett discusses the need for this training and shares about his experience at one of our conferences. You can view that video at <https://youtu.be/BihBXPZdsOw>.

We'd be grateful for your prayers for this gathering, our faculty and those who will be attending.

And thank you for making an impact in Chicago and beyond!

Bob & Diana
