

BOB & DIANA MASON

Medical and Dental Ministry

October 2024

Recently, Bob's home church in Mississippi began an annual missions conference. This year, we were honored to be a part of that.

After flying from California, we arrived in Tupelo and joined several other missionaries from around the world. Harrisburg Baptist Church partners with these missionaries in their ministries.

During the conference, we were able to share in the morning worship services. We also hosted 7 sessions which described our work with Cru.

A highlight of the trip was being able to stay with Lee & Sue McAllister. Sue was the youth pastor when Bob was in high school. Lee disciplined Bob and challenged him to work towards the fulfillment of the Great Commission (Mt. 28:18-20).

Meanwhile back in California, our work continued. Student ministry leaders were able to host and lead our weekly spiritual care practicums. Many began to better understand how beneficial spiritual care might be for their patients and for themselves as clinicians. Later this month, we'll equip them to share Christ with their patients.

In the coming days, we'll be in Miami and Boston training more. We'd be grateful for your prayers.
