

Like Son, Like Dad?

Each year Cru hosts Winter Conferences throughout the United States for college students. These gatherings foster students experiencing Jesus, growing together in their faith, and discovering their place in the mission of God.

Our ministry had a direct presence at 6 of these 12 nationwide events.—including Florida, North Carolina, Indianapolis, Dallas, Denver, and Southern California.

At the So Cal Conference, both Bob and our son, Jordan, helped give leadership. Bob spoke to those who are pursuing a healthcare career—helping them understand how God might use them to live on mission as they care for their patients.

Jordan, who serves with Cru at Cal Poly SLO, gave leadership to the Day of Outreach when all 1,000+ staff and students, go out to partner with local ministries in evangelism and service across Orange County and LA. Through the outreach they had over 700 spiritual conversations, shared the gospel with 216 people and saw **21 people choose to follow Jesus**. Please pray for the 21 new believers in the faith. Please pray for the students across the US who attended the 12 Cru conferences. And pray for us as we reach and raise up a new generation of Christian healthcare professionals who will follow Jesus in all areas of their lives.

Thanks for helping make this possible!

Bob & Diana
